## February Update

KWHA Members,

Show season is quickly approaching, and the Kentucky Walking Horse Association is working diligently to ensure that our members have another great year. We had a very productive meeting this past Sunday (2-17-13). Below are a few highlights from that meeting. More information will be available soon about many of the ideas and events presented.

- The KWHA has added a new high point category for the 2013 season. A trail riding high point division has now been established, and a full set of rules will be available before show season.
  
- A monetary scholarship will be awarded to high school seniors/college attendees that will be furthering their education at any two or four year college or university. An application will be available in both the KWHA directory and online. Both the KWHA and Ohio Valley Walking Horse Association will work in partnership on this new venture.
  
- The show committee presented a well balanced show schedule for the 2013 Mid Summer Classic. The board approved a class schedule that promotes the performance, pleasure, and racking horse.

As always, thank you for the opportunity to serve. The complete set of minutes from the 2-17-13 meeting will be available after our March meeting. The January minutes can now be viewed online. Feel free to contact me at anytime with any matter concerning the KWHA. I would love to hear from you.

Thank you,

Jared Scott
