

Kentucky Walking Horse Association

50 Years and Still Going Strong

***Supports the Tennessee Walking Horse Industry:** The KWHA Board of Directors has sent thousands of dollars to a lobbyist firm in Washington, D.C. over the past few years to help fight for our great breed.

***Donates to Charity:** Saint Jude's Children Hospital will receive \$1,000 this year due to the proceeds from the Mid-Summer Classic.

***Provides Scholarships:** Starting in 2013, the KWHA has partnered with the Ohio Valley Walking Horse Association to provide five scholarships of \$500 each to members attending college.

***Hosts an Annual Banquet:** Each year the association works hard to have a prestigious banquet for all members. The cost in ribbons and awards usually totals around \$5,000.

***Develops New Programs:** The KWHA Board has spent time over the past few years creating new programs for its members. The Trail Riding High Point Award was established in 2013. The 2014 Board of Directors worked hard to re-establish the KWHA Juvenile Auxiliary.

***Communicates to Members:** Our website, kywha.com, provides a wealth of information to members. All meetings, business minutes, horse show dates, and updates can be found online.

***Continues to be a Leader:** Over 60 shows were associated with the KWHA in 2014. The KWHA offers over 65 high point divisions. We support all areas of the breed: performance, pleasure, racking, and spotted.

Thank you for allowing us to serve,

KWHA Board of Directors, Past and Present
