

Hello, my name is Lexi Grabowski.

I am the daughter of Mercedes and Joey Bentley and granddaughter of Linda Gagnon.

I'm 18 years old and a graduated of Woodford County High School. In high school, I was an active member of the FFA. This year, I will be attending Bluegrass Community and Technical College with a major in science. This spring, I will apply to the nursing program with hopes of acceptance and furthering my education.

Walking Horses have been a big involvement in my life for almost 4 years. I currently show Jailbird On Parole, my heart horse, in Youth Show Pleasure under the direction of Travis Wiley Stables. This is our last year in juvenile. I am excited to see what division we perform in next.

From the horse shows to banquets, I love being able to help out any way possible. I have achieved many awards within the industry and outside the industry. I've had the opportunity to have won numerous high point awards such as juvenile and horse of year with different associations such as KWHA, EKWRHA, KWRHTA and many more.

As far as my goals for the industry, I plan to help educate others about our amazing breed and help our industry grow.

With the help of amazing people in this industry, such as my trainers, members, close friends and family, I have grown as a person and rider!

I may have not been born into the walking horses barn but the Tennessee walking horse has made me who I am today.

Thank you always for your support as I would be honored to be selected as The Miss Kentucky Celebration Queen!
